

NORTHWEST OHIO ASSOCIATION OF SCHOOL NURSES

Ann Cipriani
4635 Weldwood Lane
Sylvania, OH 43560

Dear School Nurses:

It is time to join the Northwest Ohio Association of School Nurses for the 2007-2008 school year. Our organization will keep you informed of current trends in school nursing, while providing a vehicle for you to network with other school nurses. NWOASN will also provide information regarding certification requirements, and current legislation regarding our schools. We sponsor three educational offerings during the school year, complete with CNE's and packed with timely topics regarding the children that we care for in our schools. As a member of our organization you will be able to attend these at a discount rate and receive a **quarterly newsletter via email unless you request a mailing.**

NWOASN dues are \$20.00 per year. Retired school nurses' membership is \$10.00. Please note that membership to NWOASN does not include membership to OASN (Ohio Association of School Nurses). Make checks payable to NWOASN and mail to Ann Cipriani at the above address. Looking forward to hearing from you!

Membership Committee Chair,
Ann Cipriani R.N., BA, MEd
